College of Information

B.S. Information Science

2016-2017 Texas Common Course Numbering System Transfer Guide

The Bachelor of Science in Information Science at the University of North Texas is designed to equip graduates with the knowledge needed to build competencies in important and emerging areas such as, information organization, information architecture, information seeking and use, health informatics, knowledge management, digital content and digital curation, and information systems.

Students earning this degree are able to customize their program by developing focused areas of studies (concentrations) or by choosing a minor or certificate in another field. The flexibility built into the BSIS program prepares graduates for the varying career options available in the information profession.

Undergraduate Degree Program Options

B.S. Information Science, Concentrations:

- Digital Content and Information Systems
- Information Management and Health Informatics
- Information Science and Knowledge Organization
- Project and Knowledge Management

B.S. Information Science
2016-2017 Texas Common Course Numbering System Transfer Guide

UNT
UNIVERSITY
OF NORTH TEXAS®

Information Science: Major Course Requirements

- At least 33 hours including 18 hours of required INFO courses in one of the following program concentrations, and at least 15 additional hours selected with the approval of the department.
  Concentrations:
  ◦ Digital Content and Information Systems
  ◦ Information Management and Health Informatics
  ◦ Information Science and Knowledge Organization
  ◦ Project and Knowledge Management

- Cross-Functional Area: 45 hours, of which 9 hours must be advanced, may be completed or transferred from related areas and programs as approved by the department. Students must contact an advisor in the Information Science program to determine the 45 hours of course work needed to complete the cross-functional are of the degree.

To enroll for more than 6 hours of courses in the Department of Library and Information Sciences, students must:

- Have at least sophomore standing (at least junior standing is required to enroll for more than 12 hours in the department)

- Have a cumulative grade point average of at least 2.5

There are no TCCNS options for Library and Information Science (INFO) courses.

Special Notes

Hours Required and General/College Requirements:

- A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the general university requirements section of the UNT catalog and the College of Information requirements.

- A minimum grade point average of 2.0 is required on all courses counted toward the major.

UNT Core Curriculum/Transfer of Core Curriculum:
UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Information required curriculum and policies are located in the *undergraduate catalog* under the corresponding catalog year.

For additional program and contact information see the College of Information Student Advising website: http://www.ci.unt.edu.
