PURPOSE: The purpose of this program is to provide tuition rebates that will provide a financial incentive for students to prepare for university studies while completing their high school work, avail themselves of academic counseling, make early career decisions, and complete their baccalaureate studies with as few courses outside the degree plan as possible.

The University of North Texas notifies all students of the tuition rebate program through notice in the university catalog and in its graduation materials. If requested by potentially eligible students who have early registered and meet all course requirements, UNT will provide opportunities to enroll during each fall and spring semester in the equivalent of at least 12-semester credit hours that apply toward their degrees.

Rebate checks and correspondence are mailed to the student Mailing Address provided and maintained by the student at http://my.unt.edu. If a student is found to be ineligible for a rebate a statement explaining why the student is ineligible will be provided. UNT will provide a dispute resolution process to resolve issues related to local administration of the program.

Please read the below acknowledgements. By signing below, you indicate your understanding of these statements:

- I understand that students with more than 3-hours of credit with grades of "F", "W", "WF", "NP", "I", or "Z" from any institution attended are ineligible to receive the \$1000 Tuition Rebate.
I have enrolled for the first time in an institution of higher education in the fall 1997 semester or later.
I am requesting a rebate for coursework related to a first baccalaureate degree received from a general academic teaching institution.
I have been a resident of Texas and have been entitled to pay resident tuition at all times while pursuing my degree.
I have attempted no more than three hours in excess of the minimum number of semester credit hours required to complete my degree under the catalog which I am graduating.
I understand that it is my responsibility to notify UNT of my intention to apply for the tuition rebate prior to graduation and maintain my UNT mailing address.
I understand that the tuition rebate for which I am applying will be applied to State of Texas student loans (including emergency loans) that I have not yet repaid.
I understand that the tuition to be rebated to a student under this program is \$1,000 unless the total amount of undergraduate tuition paid by the student to UNT was less than \$1,000, in which event the amount of tuition to be rebated is an amount equal to the amount of undergraduate tuition paid by the student.
If enrolled for the first time in fall 2005 or later, graduate within four calendar years for a four-year degree or within five calendar years for a five-year degree if the degree is in a program determined by the Texas Higher Education Coordinating Board to require more than four years to complete.
