The document contains a list of courses offered in a summer term, categorized by session duration: Ten Week Session, Three Week Session, and Five Week Session. Each course listing includes the course code, title, section number, credits, days and times, and instructor name. Many courses are marked as restricted and require approval. The document appears to be a schedule for the Kines Health Promotion and Recreation department at a university.
Two Online Class Meeting Per Week.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit http://nextgen.unt.edu.
