 Certain degree requirements must be completed to apply for the Converged Broadcast Media (CBCM) Major and to take upper level CBCM/RTVF courses. Transfer students should review "Admission to the Major" on page two for the guidelines on acceptance to the major.

• Entering students interested in majoring in Converged Broadcast Media (CBCM) will be classified as a Pre-Converged Broadcast Media. Admission to the university or to the pre-major status does not guarantee admission to the CBCM major.

• Community College RTVB and FLMC courses do not apply towards a B.A. in Converged Broadcast Media (CBCM).

• Only 12 hours of RTVF/CBCM courses taken at other institutions may be applied toward the major.

• Students majoring in Converged Broadcast Media are required to have a minimum grade of C in all RTVF/CBCM courses to graduate. Students may have only two attempts for a grade of C or better for COMM 1335, RTVF 2210 (UNT only, and CBCM 2400 (UNT only).

• The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311) and a college level mathematics course. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

Courses Recommended for Transfer

The UNT Core requirements, with the exception of U.S. History and Political Science, and the College & Major requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. ### Converged Broadcast Media: Admission to the Major (continued)

Admission to the CBCM major is on a space-available basis and is highly competitive. The number of new majors admitted each semester is limited by available resources, and not all pre-majors who apply will be awarded CBCM major status. Admission to the CBCM major is based on review of a candidate’s formal application by the CBCM Admissions Committee. Students who wish to become CBCM majors should contact the RTVF department office prior to each semester’s deadline to obtain an application. A student may apply for CBCM major status during the semester he or she will complete the CBCM major requirements.

### Converged Broadcast Media: Other Course Requirements

- COMM 1335
- SPCH 1311 or 1315 (substitutes for COMM 1010)

RTVB and FLMC courses do not apply towards a B.A. in Converged Broadcast Media (CBCM).

SPCH 1311 or 1315 fulfills both a CBCM Program requirement and the Discovery Core requirement.

Courses listed above are TCCNS options and do not include all courses required for the UNT Communication Studies major.

### Special Notes

#### Hours Required and General/College Requirements:

A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the "General University Requirements" section of the UNT catalog and the College of Arts and Sciences requirements.

#### UNT Core Curriculum/Transfer of Core Curriculum:

UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

#### Choice of Catalog:

Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Arts and Sciences required curriculum and policies are located in the Undergraduate Catalog 2013-2014.
