College of Music

**B.M. Jazz Studies: Vocal Emphasis**

2013-2014 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year’s admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Music Theory Proficiency and the UNT Piano Proficiency for graduation. The lower level courses in piano, aural skills and music theory at UNT are designed to prepare students directly for these examinations. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat theory and aural skills courses if not prepared for proficiency exams.
- All Music majors also must pass a computer proficiency, and the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.

Preference will be given to applications received by April 1 for fall admission. For additional procedures and opportunities, please contact the College of Music.

The student should perform standard classical works. Prospective jazz studies majors should be prepared to audition with both classical and jazz repertoire.

Students unable to audition in person may submit a recording representative of their performance abilities.

**Special Notes**

** Hours Required and General/College Requirements:** A minimum of 129 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Music degree as specified in the "General University Requirements" section of the UNT catalog and the College of Music requirements.

A minimum overall GPA (including all transferred courses) of 2.00 is required for graduation.

**UNT Core Curriculum/Transfer of Core Curriculum:** UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the Undergraduate Catalog 2013-2014.
