In order to progress and be accepted into Tier Two (BUND), students must attain a 2.0 UNT cumulative GPA and have completed three of the following designated pre-business prerequisite courses with a minimum of two B's and one C: college-level MATH, ACCT 2301 or 2401, ACCT 2302 or 2402, ECON 2301, ECON 2302, DSCI 2710 at UNT preferred (per Field of Study BUSI 2305 is preferred in transfer, but per the Texas tuning, will accept MATH 1342, MATH 1442, MATH 2342, or MATH 2442 taken prior to becoming a UNT Student).

Upon meeting these requirements, students will meet with an Academic Advisor in BLB 110 to request an official degree plan and acceptance into their choice of one of the professional field/majors offered by the College of Business. Declared Business students are permitted to enroll in 3000/4000 level business courses.

Students who have been accepted to a business degree program must maintain satisfactory progress. Declared business majors are subject to dismissal from a business degree program and may not be permitted to enroll for additional courses in that major if they receive any combination of grades of D or F in two attempts of the same course in the professional field and supporting field courses in their degree plan.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the [mandates of the 1997 Texas Legislature](#) regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The Ryan College of Business is accredited by the AACSB International—The Association to Advance Collegiate Schools of Business.

The Ryan College of Business required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
