2017-2018 Texas Common Course Numbering System Transfer Guide

Special Notes

Hours Required and General/College Requirements:

- A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the [general university requirements](#) section of the UNT catalog and the College of Education requirements.
- A minimum grade of C is required in each course in the major; a minimum GPA of 2.75 in the major, a minimum UNT GPA of 2.0, and a minimum overall GPA of 2.0 is required for graduation. (Overall GPA includes all course work transferred plus that taken at UNT.)

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the [mandates of the 1997 Texas Legislature](#) regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college

The College of Education required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
