College of Science  
*B.A. Biochemistry, Secondary Education Certification in Chemistry Grades (7-12)  
2021-2022 Texas Common Course Numbering System Transfer Guide

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT’s course offerings.

UNT courses noted (#) do not have TCCNS equivalents, but have approved transferable substitutions.

http://registrar.unt.edu/transfer-guides  
Last Revised: September 13, 2021
Students may not declare a major within the College of Science until they have completed MATH 1100 (MATH 1314 or 1414), or MATH 1180 (MATH 1324) with a 'C' or better, or have demonstrated proficiency through a math placement exam. Applicants who do not meet the math proficiency requirement will be provisionally admitted as Pre-College of Science (PCOS). PCOS students may visit the College of Science Advising Center for assistance.

Courses Recommended for Transfer
The UNT Core requirements are shown with Texas Common Course Numbering System options only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

UNT Core: Communication
ENGL 1301 and 2311
A grade of 'C' or better is required on courses applied toward this requirement.
ENGL 2311 is a required course for the B.A. in Biochemistry (see next page).

UNT Core: Mathematics
This requirement will be met by fulfilling the B.A. Biochemistry major mathematics requirement (see next column).

UNT Core: Life & Physical Sciences
This requirement will be met by fulfilling the B.A. Biochemistry major requirements (see next column).

UNT Core: American History
Two courses chosen from: HIST 1301, 1302, 2301

UNT Core: Government/Political Science
GOVT 2305 and 2306

UNT Core: Creative Arts
One course chosen from: ARTS 1301 or 1304; DRAM 1310; MUSI 1306 or 1307; SPCH 2341

UNT Core: Language, Philosophy and Culture
One course chosen from: ARTS 1303; ENGL 2332, 2333, 2321, 2326, 2331, 2341, or 2351; HIST 2321 or 2322; PHIL 1301, 1304, 2303,

UNT Core: Social & Behavioral Sciences
One course chosen from: ANTH 2346 or 2351; COMM 1307; CRIJ 1301; ECON 2301 or 2302; GEOG 1303; PSYC 2301 or 2330; SOCI 1301; SOCW 2361; SPCH 2318; TECA 1354

UNT Core: Component Area Option
This requirement will be met by fulfilling the B.A. Biochemistry major requirements (see next column).

College of Science Core: Breadth Requirement
Students pursuing the Bachelor of Arts must complete four classes (minimum 3 hours each) from classes outside of the College of Science. These classes may not be simultaneously applied to University Core Curriculum requirements.

This requirement will be deemed complete for Bachelor of Arts students that complete the Teach North Texas Program.

Biochemistry: Foundation Requirements
Students must have a grade of C or better and a minimum 2.5 grade point average in all Foundation courses before enrolling in advanced courses required for the major.

- BIOL 1406 or 1306/1106
- BIOL 1407 or 1307/1107 or 2421 or 2321/2121
- CHEM 1411 or 1311/1111
- CHEM 1412 or 1312/1112
- CHEM 2423 or 2123/2323 (approved substitution)
- MATH 2312 or 2412

BIOL 1406, BIOL 1407, CHEM 1411 and CHEM 1412 also fulfill the Life & Physical Sciences and the Component Area Option core requirements.

MATH 2312 also fulfills the Mathematics core requirement.

Courses listed above are TCCNS options and do not include all courses required for the UNT B.A. Biochemistry major.

Biochemistry: Major Requirements

- CHEM 2425 or 2325/2125 (approved substitution)

Advanced Biochemistry Courses
No TCCNS options available

Courses listed above are TCCNS options and do not include all courses required for the UNT B.A. Biochemistry major.
### Biochemistry: Additional Course Requirements

- ENGL 2311 (also fulfills part of the Communication core requirement) (C or better)
- MATH 2313 or 2413 or 2513
- PHYS 2425 or 2325/2125 (approved substitution)
- PHYS 2426 or 2326/2126 (approved substitution)
- A minimum 2.5 grade point average and a C or better in Foundation courses, a C or better in all advanced courses counting toward major requirements, and a minimum 2.0 UNT and overall (UNT and transfer) grade point average is required for graduation.
- Students in the department whose Foundation or overall grade point average drop below the minimum GPA for two consecutive semesters will be removed from the program.
- Only two attempts will be allowed for each biology and biochemistry course in this degree.

### Teach North Texas Program: Minor Required

Students in this degree plan must go through the Teach North Texas Program. This program requires 22 hours for a minor in Mathematics and Science Secondary Teaching and meet all GPA requirements to apply for state certification. Students should contact the Teach North Texas program for more information on enrolling in the certification courses. No TCCNS options available for Teach North Texas requirements.

A 2.75 GPA is required on all courses counting toward the Mathematics and Science Secondary Teaching minor, see current UNT Undergraduate Catalog for all minor requirements.

### Teacher Certification Information

To be certified to teach in the State of Texas, the student must successfully pass the following exams:

- **Exam #1**  TExE: Pedagogy & Professional Responsibilities (EC-12)
- **Exam #2**  TExE: Chemistry (7-12)

Additional requirements for Teacher Certification in Chemistry include a 2.5 overall GPA (including all transferred courses), a 2.5 UNT GPA and a 2.5 major GPA.

### Special Notes

- **Hours Required and General/College Requirements:** A minimum of 120 semester hours, of which 36 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the General University Requirements section of the UNT catalog and the College of Science requirements.

- **UNT Core Curriculum/Transfer of Core Curriculum:** UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

- Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

- **Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

- The College of Science required curriculum and policies are located in the [undergraduate catalog](http://registrar.unt.edu/transfer-guides) under the corresponding catalog year.

For additional program and contact information, visit the College of Science Advising Center website at [www.cos.unt.edu/advising](http://www.cos.unt.edu/advising).
