Last Revised: July 7, 2020
In addition to the university admission requirements, students wishing to major in any program in the College of Visual Arts and Design must meet minimum academic requirements to be classified as a pre-major. Admission to the college through this process does not guarantee acceptance into the chosen major. See “Admission Requirements” on page two for specific guidelines.

Art programs have strict course sequencing, and some required lower-level art courses are not offered at the community college. To complete an art program within four years, community college students should consult with a College of Visual Arts and Design (CVAD) advisor at the beginning of their academic career to establish an ideal timeline for transferring to UNT. Students interested in completing an associate’s degree at a community college are strongly encouraged to consult with a CVAD advisor about concurrent enrollment options.

The Art Education degree program leads to a BFA with all-level teacher certification in art, accredited by the Texas State Board for Educator Certification. Admission to teacher certification, or Professional Development Sequence, requires junior status, a 2.75 grade point average (both UNT and cumulative), and successful completion of the Praxis.

### Admission Requirements

**Admission to Teacher Education Program:**
Prior to enrolling in the education courses, students must:
- be a junior (60 credit hours earned)
- have a 2.75 UNT GPA
- have a 2.75 overall GPA (includes courses transferred to UNT, plus all courses taken at UNT)
- have minimum test scores in the Praxis, ACT, or SAT. See an advisor for details
- be actively enrolled at UNT and have an official degree audit with certification requirements included
- have completed the application process and been admitted to Teacher Education through the College of Education Student Advising Office in Matthews Hall, Room 105

Continuation in the Teacher Education Program is not guaranteed by the admission process.

### Hours Required and General/College Requirements

- A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Fine Arts degree as specified in the general university requirements section of the UNT catalog and the College of Visual Arts and Design requirements.
- 24 advanced hours must be completed at UNT
- 36 hours of art (including at least 12 advanced hours) must be completed at UNT

### Academic Requirements

Art majors and art minors must take courses in sequence and must maintain at least a 2.5 grade point average in all art courses. Only grades of C (2.0) or better in art courses will count toward a student’s degree requirements. The teacher certification program for art education majors requires a 2.75 GPA in each area (academic major and pedagogy), and a 2.75 cumulative GPA on all UNT and transfer work.

### Transfer Credits

A transferred course must be reviewed for approval in order to be substituted for a required art course. Transfer credits in art from other schools can be substituted for UNT degree requirements only when content of the two courses is the same. Art core courses (Art Appreciation, Design I, Design II, Drawing I, Drawing II, Art History Survey I and Art History Survey II) are transferable from a Texas Community College. The student should provide a transcript of all college work so an advisor may better assist the student with course selection.

### UNT Core Curriculum/Transfer of Core Curriculum

UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

### Choice of Catalog

Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Visual Arts and Design required curriculum and policies are located in the undergraduate catalog under the corresponding catalog year.
