2022-2023 Texas Common Course Numbering System Transfer Guide

- In addition to the university admission requirements, students wishing to major in any program in the College of Visual Arts + Design must meet minimum academic requirements to be classified as a pre-major. Admission to the college through this process does not guarantee acceptance into the chosen major. See "Admission Requirements" on page two for specific guidelines.
- Design programs have strict course sequencing, and some required lower-level art courses are not offered at the community college. To complete an art program within four years, community college students should consult with a College of Visual Arts + Design (CVAD) advisor at the beginning of their academic career to establish an ideal timeline for transferring to UNT. Students interested in completing an associate's degree at a community college are strongly encouraged to consult with a CVAD advisor about concurrent enrollment options.
- To complete the Interior Design program within four years, students must have completed ARTS 1311 and ARTS 1316 at the end of their first freshman Fall semester, have completed ADES 1625 (*available only at UNT*), ARTS 1312, and ARTS 1317 at the end of their freshman Spring semester, and be enrolled in or have completed ADES 2630 (*available only at UNT*) and ARTS 1303 to be eligible for the entry portfolio review during the sophomore Fall semester.
