2017-2018 Texas Common Course Numbering System Transfer Guide

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current [Undergraduate Catalog](#) for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT's course offerings.

UNT courses noted (#) do not have TCCNS equivalents, but have approved transferable substitutions.

College of Health & Public Service

B.S. Speech-Language Pathology/Audiology

2017-2018 Texas Common Course Numbering System Transfer Guide

- The undergraduate program is designed for persons wishing to pursue graduate study in speech-language pathology and audiology and offers an avenue for students interested in pursuing other health professions, teaching, psychology, medicine, gerontology or law.
- Undergraduates are introduced to the clinical aspects of speech-language pathology and audiology through course work, clinical experiences and laboratory work at the UNT Speech and Hearing Center.
- The College of Health and Public Service expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311) and a college level mathematics course. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

Courses Recommended for Transfer

The UNT Core requirements, with the exception of American History and the College & Major requirements, are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

UNT Core: Communication

ENGL 1301; and ENGL 1302 or 2311

A grade of 'C' or better is required on courses applied toward this requirement.

UNT Core: Component Area Option Category I

One course chosen from: ARTS 1301; BIOL/HECO 1322; COMM 1307; MATH 2305 or 2405; SPCH 1311 or 1315; TECA 1303

UNT Core: Mathematics

This requirement will be met by fulfilling the BS Speech-Language Pathology/Audiology mathematics requirement (see "Other course requirements").

UNT Core: Component Area Option Category II

This requirement will be met by fulfilling the Speech-Language Pathology/Audiology additional program requirements (see column below).

UNT Core: Life & Physical Sciences

This requirement will be met by fulfilling the BS Speech-Language Pathology/Audiology laboratory science requirement (see "Other course requirements").

Speech-Language Pathology/Audiology: Major Requirements

No TCCNS options available.

UNT Core: American History

Two courses chosen from: HIST 1301, 1302, 2301

Speech-Language Pathology/Audiology: Other course requirements.

The following courses must be completed with a grade of C or better before enrolling in ASLP 3030 at UNT and subsequent courses and may only be retaken once.

UNT Core: Government/Political Science

B.S. Speech-Language Pathology/Audiology

2017-2018 Texas Common Course Numbering System Transfer Guide

Speech-Language Pathology/Audiology: Additional Requirements. (continued)

Foreign language

Attain 2311 and 2312 level in one foreign language or pass appropriate proficiency exams through the Department of World Languages, Literatures and Cultures (American Sign Language, Arabic, Chinese, French, German, Hebrew, Italian, Japanese, Latin, Portuguese, Russian or Spanish).

NOTE: Prerequisites for foreign language 2311 and 2312 courses are 1311 and 1312 or 1411 and 1412 or 1511 and 1512. Placement exams may be available; see your community college academic advisor for details.

18 additional hours

Students majoring in speech and hearing sciences are required to complete 18 hours outside of the department. Students may elect one of the following:

- A minor of at least 18 hours, including at least 6 advanced;
- 18 hours, including 9 advanced, selected from two or more departments outside the Department of Speech and Hearing Sciences (selected in consultation with the student's faculty advisor);
- Choose one of the following interdisciplinary specializations totaling 18 hours:
 - Global disorders
 - Child
 - Adult
 - SOCI 1301
 - Lifespan
 - SOCI 1301

Courses shown above are TCCNS options and do not include all courses required for the UNT Speech Language Pathology/Audiology major.

Speech-Language Pathology/Audiology: Other Requirements

Students should have a degree audit prepared as soon as the major is declared.

To graduate with a major in speech-language pathology/audiology, a student must:

- Maintain a GPA of 2.5 in the major.
- Earn a grade of C or better on all ASLP courses. Students earning less than a C in any one of the ASLP courses will be allowed to retake the course only once.

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the [general university requirements](#) section of the UNT catalog and the College of Health and Public Service requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the [mandates of the 1997 Texas Legislature](#) regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Health and Public Service required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
