B.A. Music (Music History and Literature)

2018-2019 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year’s admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Music Theory Proficiency and the UNT Piano Proficiency for graduation. The lower level courses in piano, aural skills and music theory at UNT are designed to prepare students directly for these examinations. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat theory and aural skills courses if not prepared for proficiency exams.
- All BA in Music majors also must pass an Upper Division Examination proficiency.

B. A. Music: Admission Requirements

College Admissions Requirements: Admission to the College of Music is contingent on clear admission to the University. Entering transfer students interested in majoring in Music must qualify by audition on their principal instrument or voice. Preference will be given to applications received by the first Monday in December for the following fall admission. For additional procedures and opportunities, please contact the College of Music.

In order to be accepted to the Music History and Literature Emphasis, students must submit two writing samples to the music history area. This may be done as early as the spring semester (March 1) of the freshman year or at any point thereafter (it is strongly recommended to submit before the completion of the sophomore year). The first sample is a personal statement. The second sample should be a paper that the student has written for any college-level class, with the professor’s comment and grade on it. The music history area will assign a professor to serve as mentor to student whom it accepts as majors. Student who are rejected may apply only one more time, in a subsequent semester, to the emphasis.

Students unable to audition in person may submit a recording representative of their performance abilities.

At Freshman Orientation, students will take placement examinations in piano. Transfer students will take similar examinations at Transfer Orientation.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music Service required curriculum and policies are located in the undergraduate catalog under the corresponding catalog year.
