College of Music  
**B.M. Performance (Piano Pedagogy)**  
2012-2013 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year’s admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Music Theory Proficiency and the UNT Piano Proficiency for graduation. The lower level courses in piano, aural skills and music theory at UNT are designed to prepare students directly for these examinations. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat theory and aural skills courses if not prepared for proficiency exams.
- All Music majors also must pass a computer proficiency, and the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.

The student should perform standard classical works.

Those students unable to audition in person may submit a recording representative of their performance abilities.

If a student fails to gain unconditional admission but shows promise, the faculty may grant conditional admission, subject to re-audition and evaluation at the end of the first term/semester.

Permission may be granted to take applied music at reduced credit until the audition is passed.

At Freshman Orientation, students will take placement examinations in both music theory and piano. Transfer students will take similar examinations at New Student Orientation during registration week.

A minimum overall GPA (including all transferred courses) of 2.00 is required for graduation.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the Undergraduate Catalog 2012-2013
