The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311) and a college level mathematics course. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

### Courses Recommended for Transfer

The UNT Core requirements, with the exception of U.S. History and Political Science, and the College & Major requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

Students must complete the required 21 hours in upper-level education courses and meet all GPA requirements to apply for state Certification. In order to enroll for the first required education course, the student must make application to the certification program in the College of Education. No TCCNS options available.

To be certified to teach in the State of Texas, the student must successfully pass the following exams:

- **Exam #1**  TExES: Pedagogy & Professional Responsibilities (EC-12)
- **Exam #2**  TExES: Social Studies (7-12)

Additional requirements for Teacher Certification in Social Studies include a 2.75 overall GPA (including all transferred courses), a 2.75 UNT GPA, a 2.75 major GPA, and a 2.75 GPA in Teacher Education courses.

**Special Notes**

**Hours Required and General/College Requirements:** A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the “General University Requirements” section of the UNT catalog and the College of Arts and Sciences requirements.

**UNT Core Curriculum/Transfer of Core Curriculum:** UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Arts and Sciences required curriculum and policies are located in the Undergraduate Catalog 2013-2014.

For additional program and contact information see the College of Arts and Sciences Student Advising website: http://www.cas.unt.edu/advising.
