College of Engineering  
**B.S. Biomedical Engineering**  
2019-2020 Texas Common Course Numbering System Transfer Guide

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current [Undergraduate Catalog](http://registrar.unt.edu/transfer-guides) for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT’s course offerings.

UNT Courses noted (#) do not have TCCNS equivalents, but have approved transferable substitutions.

http://registrar.unt.edu/transfer-guides
Admission to the university does not guarantee admission to the College of Engineering. To be admitted to the College of Engineering, students must meet the requirements listed under “Admission Requirements” on page two.

To complete the B.S. Biomedical Engineering degree within four years, students should plan to take Calculus I (MATH 2313 or 2413 or 2513) and BMEN 1300 during the first semester of their freshman year. Please refer to the four-year plan on page one for a recommended schedule. Students interested in completing an associate's degree at a community college may consult with a College of Engineering advisor about concurrent enrollment options.

Courses Recommended for Transfer

The UNT Core requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply to.

UNT Core: Communication

ENGL 1301; and ENGL 1302 or 2311

A grade of ‘C’ or better is required on courses applied toward this requirement.

ENGL 2311 is required for all College of Engineering majors.

UNT Core: Component Area Option

This requirement will be met by fulfilling the B.S. in Biomedical Engineering program requirements. See "Other Requirements."

UNT Core: Mathematics

This requirement will be met by fulfilling the Biomedical Engineering program requirements (see "Other Course Requirements").

Required courses in mathematics:

- MATH 2313 or 2413 or 2513 (fulfills both Mathematics core and major requirements).
- MATH 2314 or 2414
- MATH 2315 or 2415
- MATH 2318 or 2418

UNT Core: Life & Physical Sciences

This requirement will be met by fulfilling the Biomedical Engineering program requirements (see "Other Course Requirements").

Biomedical Engineering: Major Requirements

No TCCNS Options Available.

Biomedical Engineering: Other Course Requirements

TCCNS options:

**Required course in Technical Writing:**
- ENGL 2311

**Required courses in mathematics:**
- MATH 2313 or 2413 or 2513 (fulfills both Mathematics core and major requirements).
- MATH 2314 or 2414
- MATH 2315 or 2415
- MATH 2318 or 2418

**Required courses in laboratory science:**
- BIOL 2401 or 2301/2101 or CHEM 1412 or 1312/1112 or PHYS 2426 or 2326/2126
- CHEM 1411 or 1311/1111
- PHYS 2425 or 2325/2125

BIOL and CHEM courses listed above fulfill both Life & Physical Sciences core and major requirements. PHYS courses listed above fulfill a portion of the CAO core and major requirements.

Courses listed above are TCCNS options and do not include all courses required for the UNT Biomedical Engineering major.
Admissions to the College of Engineering is contingent on clear admissions to the university.

Freshman applicants will be admitted to the College of Engineering in an Engineering program based on their high school graduation rank and SAT/ACT scores. See below for the full requirements:

1) Students in the top 25% of their class must meet one of the following requirements:
   A) Math ACT score of 23 or better and a composite ACT score of 23 or better
   B) If the SAT was taken February 2016 or before, Math SAT score of 570 or better and a total SAT score of 1070 or better
   C) If the SAT was taken March 2016 or later, Math SAT score of 590 or better and a total SAT score of 1140 or better

2) Students in the top 50% of their class must meet one of the following requirements:
   A) Math ACT score of 24 or better and a composite ACT score of 24 or better
   B) If the SAT was taken February 2016 or before, Math SAT score of 600 or better and a total SAT score of 1100 or better
   C) If the SAT was taken March 2016 or later, Math SAT score of 620 or better and a total SAT score of 1170 or better

3) Students below the top 50% of their class must meet one of the following requirements:
   A) Math ACT score of 26 or better and a composite ACT score of 26 or better
   B) If the SAT was taken February 2016 or before, Math SAT score of 630 or better and a total SAT score of 1180 or better
   C) If the SAT was taken March 2016 or later, Math SAT score of 650 or better and a total SAT score of 1250 or better

The Biomedical Engineering foundation courses are:
- BIOL 2401 or 2301/2101
- BMEN 1300 at UNT
- BMEN 1400 at UNT
- BMEN 2210 at UNT
- BMEN 2320 at UNT
- CHEM 1411 or 1311/1111
- ENGL 1301 or TECM 1700 at UNT
- ENGL 2311
- MATH 2313 OR 2413 OR 2513
- MATH 2314 or 2414
- PHYS 2425 or 2325/2125

Successful completion of foundation courses is based on achieving a C or higher in each course and a cumulative GPA of 2.5. Mandatory advisement is required each semester until the foundation courses have been completed.

Students interested in pursuing a Bachelor’s Degree in Biomedical Engineering will be able to choose from one of the following five tracks (18 hours):
- Biocomputing
- Biomaterials
- Biomedical instrumentation
- Biomechanics
- Biotechnology (Pre-Medical)

No TCCNS Options Available.
4) Students with no graduating class ranking (homeschooled, GED, international students, etc.) must meet one of the following requirements:
   A) Math ACT score of 24 or better and a composite ACT score of 24 or better
   B) If the SAT was taken February 2016 or before, Math SAT score of 600 or better and a total SAT score of 1100 or better
   C) If the SAT was taken March 2016 or later, Math SAT score of 620 or better and a total SAT score of 1170 or better

Engineering Technology programs
- Freshman applicants to Engineering Technology programs must have a math SAT score of 540 or better, or a math ACT score of 22 or better.

Math courses
- Enrollment in mathematics classes for entering freshmen will be determined in accordance with criteria established by the Department of Mathematics.

Transfer, International and Post-Baccalaureate
- Transfer applicants must have a minimum 2.0 GPA in math/science/engineering courses and be eligible to enroll in MATH 1710 (Calculus I; TCCNS: MATH 2313 or 2413 or 2513) or higher. MATH 1650 (Pre-Calculus; TCCNS: MATH 2312 or 2412) completed with a grade of C or better is a prerequisite to enroll in MATH 1710/Calculus I.

For applicants who do not meet the above requirements, you may participate in the Pre-Engineering program. You may be eligible for admissions into engineering when you meet the major changer criteria below.

To be admitted from the Pre-Engineering or another UNT major, you must meet all of the following criteria:
- Participate in an engineering Major Changers session
- Minimum 2.0 GPA based on all UNT coursework
- Minimum 2.5 GPA & minimum “C” grades in the courses below per your destination engineering major:
  - Communications Core
  - TECM 2700
  - MATH 1710
  - MATH 1720
  - BMEN 1300
  - BMEN 1400
