This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT’s course offerings.

UNT courses noted (#) do not have TCCNS equivalents, but have approved transferable substitutions.

Certain degree requirements must be completed to apply for the MRTS major and to take upper level MRTS courses. Transfer students should review “Admission to the Major” on page two for guidelines on acceptance to the major.

Community College RTVB and FLMC courses do not apply towards a B.A. in Media Arts (MRTS).

Only 12 hours of MRTS courses taken at other institutions may be applied toward the major.

Students majoring in Media Arts are required to have a minimum grade of “C” in all MRTS courses to graduate. Students may have only two attempts for a grade of “C” or better for each required MRTS course.

The College of Liberal Arts and Social Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311). If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

College Admissions Requirements: Entering transfer students interested in majoring in MRTS must first apply to be a pre-major by:

- Transferring in a minimum of 12 University Core hours accepted by UNT with a grade point average of 2.75 or better or successfully completing at least 12 hours of college core hours at UNT with a GPA of 2.75 or better.

Upon completion of the requirements above, students may apply to the MRTS department to activate their pre-major status and become eligible to enroll in MRTS courses.

All of the following pre-major requirements must be completed to apply for the MRTS major and take upper level MRTS courses.

- Complete 42 hours of college courses
- Have at least a 2.75 UNT GPA
- University Core Communication Requirement: ENGL 1301 and ENGL 1302 or 2311 with a grade of “C” or higher
- University Core Mathematics Requirement, choose one: MATH 1316, 1324, 1325 or 1425, 1332, 1342 or 1442 or 2342 or 2442, 1350, 2312 or 2412, 2313 or 2413 or 2513

Admission to the MRTS major is on a space-available basis and is highly competitive. The number of new majors admitted each semester is limited by available resources, and not all pre-majors who apply will be awarded MRTS major status. Admission to the MRTS major is based on review of a candidate’s formal application by the MRTS Admissions Committee. Students who wish to become MRTS majors should contact the MRTS department office to obtain an application. Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the General University Requirements section of the UNT catalog and the College of Liberal Arts and Social Sciences requirements

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Liberal Arts and Social Sciences required curriculum and policies are located in the Undergraduate Catalog.
