2012-2013 Texas Common Course Numbering System Transfer Guide

Special Notes

Hours Required and General/College Requirements:
- A minimum of 123 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the “General University Requirements” section of the UNT catalog and the College of Education requirements.
- English Composition I and II, and all education courses must be completed with a grade of C or better in order to advance to PDS I and II.
- A minimum GPA of 2.75 in the completed core, academic major, and pedagogy/professional development school courses; and a minimum GPA of 2.0 in UNT courses and overall (overall GPA includes all course work transferred plus that taken at UNT) is required for graduation.

UNT Core Curriculum/Transfer of Core Curriculum:
UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Education required curriculum and policies are located in the Undergraduate Catalog 2012-2013.
