Last Revised: May 20, 2019
**Courses Recommended for Transfer**

The UNT Core requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

Admission Requirements

**Admission to the College:** In addition to the university admission requirements, applicants must meet the following minimum requirements for admission to the College of Visual Arts and Design:

- Freshman applicants must have a verbal SAT score of 450 or higher, or an English ACT score of 18 or higher.
- Transfer applicants, including those transferring in from another major within the university, must have a cumulative GPA of 2.5 or higher.
- Students who do not meet the minimum requirements listed above may submit a one page support document/images that may be taken into consideration during the admission process. At the time of application, this optional document/images should be submitted to cvadforms.unt.edu/cvad-entry-requirements. Applicants admitted under these circumstances will be admitted on a conditional basis. They will be required to earn a 2.5 grade point average during their first semester to continue as a major or pre-major in the college.

**Admission to the Interdisciplinary Art and Design Studies Major:** To be admitted to the interdisciplinary art and design studies major (and to be eligible to enroll in advanced art courses), a student must complete a degree plan form and meet with the faculty program coordinator. Degree plan forms are available in the Student Services Office.

**Special Notes**

**Hours Required and General/College Requirements:**
A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the general university requirements section of the UNT catalog and the College of Visual Arts and Design requirements.

- 24 advanced hours must be completed at UNT
- 18 hours of art (including at least 12 advanced hours) must be completed at UNT

**Academic Requirements:** Art majors and art minors must take courses in sequence and must maintain at least a 2.5 grade point average in all art courses. Only courses with grades of C (2.0) or better will count toward a student’s major requirements.

**Special Notes (continued)**

**Transfer Credits:** A transferred course must be reviewed for approval in order to be substituted for a required art course. Transfer credits in art from other schools can be substituted for UNT degree requirements only when content of the two courses is the same. Art core courses (Art Appreciation, Design I, Design II, Drawing I, Drawing II, Art History Survey I and Art History Survey II) are transferable from a Texas Community College. The student should provide a transcript of all college work so an advisor may better assist the student with course selection.

Transfer courses in the major area of art are evaluated by program faculty to be sure that students have acquired necessary competencies. It is the student’s responsibility to provide the faculty advisor with a copy of the catalog that describes the content of any course to be transferred. Examples of work created in the class may also be required for evaluation of skill level. Faculty advisors are available by appointment when school is in session.

Students who transfer to UNT as art majors generally need at least three years at the university to complete degree requirements in sequence.

**UNT Core Curriculum/Transfer of Core Curriculum:** UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Visual Arts and Design required curriculum and policies are located in the undergraduate catalog under the corresponding catalog year.

For additional program and contact information, visit the College of Visual Arts and Design Student Advising website at www.art.unt.edu/academic-advising.html.
