The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. In addition to the university admission requirements, students wishing to major in any program in the College of Visual Arts and Design must meet minimum academic requirements to be classified as a pre-major. Admission to the college through this process does not guarantee acceptance into the chosen major. See “Admission Requirements” on page two for specific guidelines.

Art programs have strict course sequencing, and some required lower-level art courses are not offered at the community college. To complete an art program within four years, community college students should consult with a College of Visual Arts and Design (CVAD) advisor at the beginning of their academic career to establish an ideal timeline for transferring to UNT. Students interested in completing an associate’s degree at a community college are strongly encouraged to consult with a CVAD advisor about concurrent enrollment options.

To complete the Interior Design program within four years, students must have completed ARTS 1311 and ARTS 1316 at the end of their first freshman Fall semester, have completed ADES 1625 (available only at UNT), ARTS 1301, ARTS 1312, and ARTS 1317 at the end of their freshman Spring semester, and be enrolled in or have completed ADES 2630 (available only at UNT) and ARTS 1303 to be eligible for the entry portfolio review during the sophomore Fall semester.

**Interior Design: Other Course Requirements**

There are no TCCNS course options for UNT’s Design (ADES) courses.

**Interior Design: Minor**

No minor is required.

**Admission Requirements**

**Admission to the College:** In addition to the university admission requirements, applicants must meet the following minimum requirements for admission to the College of Visual Arts and Design:

- Freshman applicants must have a verbal SAT score of 450 or higher, or an English ACT score of 18 or higher.
- Transfer applicants, including those transferring in from another major within the university, must have a cumulative GPA of 2.5 or higher.
- Students who do not meet the minimum requirements listed above may submit a one page support document/images that may be taken in consideration during the admission process. At the time of application, this optional document/images should be submitted to cvadforms.unt.edu/cvad-entry-requirements. Applicants admitted under these circumstances will be admitted on a conditional basis. They will be required to earn a 2.5 grade point average during their first semester to continue as a major or pre-major in the college.

**Admission to the Interior Design major:** To be admitted to the interior design major (and to be eligible to enroll in advanced art courses), a pre-major must meet all the following requirements:

Complete at least 30 hours of college courses (including those listed below) and have:
- completed ARTS 1311, 1312, 1316, 1317, and ADES 1625 (available at UNT only) with a grade of C or better
- enrolled in or completed ARTS 1303 and ADES 2630 (available only at UNT) with a grade of C or better
- submitted a portfolio (as described on the CVAD website) and pass the entry review in the fall semester to gain admittance to ADES 2640
- earned at least a 2.50 GPA on the required Art courses
- earned a minimum 2.25 UNT grade point average

There are no TCCNS course options for UNT’s Design (ADES) courses. ADES courses are offered only at UNT.

**Special Notes**

**Hours Required and General/College Requirements:** A minimum of 120 of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Fine Arts degree as specified in the general university requirements section of the UNT catalog and the College of Visual Arts and Design requirements.  
- 24 advanced hours must be completed at UNT
- 36 hours of art (including at least 12 advanced hours) must be completed at UNT

**Academic Requirements:** Art majors and art minors must take courses in sequence and must maintain at least a 2.5 grade point average in all art courses. Only grades of C (2.0) or better in art courses will count toward a student’s degree requirements.

**Portfolio Review:** Each major has a review system. Some majors require an entry-level portfolio review and a mid-point portfolio review, which the student must pass to continue in the major. All majors require that seniors pass an exit review prior to graduation. Students who do not pass one or another of the successive required reviews should consult with their faculty advisor and/or the department chair regarding further options. Students should contact a faculty advisor in their major for specific expectations and procedures for all portfolio reviews.

**Transfer Credits:** A transferred course must be reviewed for approval in order to be substituted for a required art course. Transfer credits in art from other schools can be substituted for UNT degree requirements only when content of the two courses is the same. Art core courses (Art Appreciation, Design I, Design II, Drawing I, Drawing II, Art History Survey I and Art History Survey II) are transferable from a Texas Community College. The student should provide a transcript of all college work so an advisor may better assist the student with course selection.

Transfer courses in the major area of art are evaluated by program faculty to be sure that students have acquired necessary competencies. It is the student’s responsibility to provide the faculty advisor with a copy of the catalog that describes the content of any course to be transferred. Examples of work created in the class may also be required for evaluation of skill level. Faculty advisors are available by appointment when school is in session.

**UNT Core Curriculum/Transfer of Core Curriculum:** UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The Bachelor of Fine Arts program in interior design is accredited by the Council for Interior Design Accreditation (146 Monroe Center NW, Suite 1318, Grand Rapids, MI 49503-2822; 616-458-0400), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA) and a member of the Association of Specialized and Professional Accreditors (ASPA).

The College of Visual Arts and Design required curriculum and policies are located in the undergraduate catalog under the corresponding catalog year.
