Course Title: BUSINESS JOURNALISM
Description: In Dallas, there are 18 businesses on the Fortune Magazine Top 500 Companies in America list that generated nearly $800 billion in revenue. In Texas, there are 52 companies on the list. Business news and the economy are at the heart of almost every story we cover nowadays. This is a fundamental class to understand the basic concepts of how to tell stories about publicly traded and private companies as well as a grasp on how financial markets affect every aspect of news coverage - locally, statewide, nationally, and internationally. You will learn how to figure how much corporate CEO's make, how to read financial statements, how the stock market works, how to write basic earnings report stories and how to do research publicly traded and private companies. If you want to become more knowledgeable about business, want to become a business writer or a director of investor relations, this class is for you.
