**Description:**
Everyday we're reading about the major changes that are affecting daily journalism. Layoffs, buyouts, consolidations and the search for new business models are on top of every media executive's mind. Beyond that, there's a need for a spirit of entrepreneurship and innovation in all forms of media. Creating new solutions to engage audiences, integrating content and technology are required for media companies and professionals succeed. Taking an idea from concept to reality is one of the most difficult steps for anyone to take, but it is one that media professionals must have the skills to survive and succeed. This class will provide an overview of the current and future state of media; what it takes to become an entrepreneur; how to start a business; find customers and, in the end, pitch your business idea. **Pre-requisites:** JOUR Major.
