Restricting Course. Approval required. Contact Department. This course meets at Discovery Park. In this course, students will learn practical aspects of research as they develop a research study and take it from design to implementation. Topics include research study design, IRB proposals, clear communication with the public, study implementation, and appropriate journal identification. Students will have the option of conducting the study with participants in the research and learning center, and will be supported in data analysis and manuscript preparation. The goal of the course is to develop an active understanding of the research process and to prepare a publication-ready paper.
