**Global Development: Issues & Challenges**

This capstone seminar is required for students whose concentration is international development. It is designed primarily for international studies majors in their senior year. The seminar explores the competing perspectives that address the social, economic, and political aspects of development. The course also surveys some of the challenges facing both high-income and lower-income countries, such as globalization, migration, the role of culture in development, foreign aid and gender issues.

Restricted course. Approval required. Contact department.

Professor Altiok will deliver live lecture and lead discussion over Zoom from 2:30-3:30 on Mondays. (Participation at the live sessions is encouraged, but not mandatory. All sessions will be recorded so that you can watch on your own time, ideally before the middle of the week since this will help you complete weekly assignments that are due on Sundays.)
