Course topic: Qualitative Research Methods

Course offered remote. No on-site meetings. There may be set times for online participation. See details for further information.

This is an internet course. Course enrollment is restricted and non-Texas resident students residing outside of the state are not eligible to enroll in this section. Contact the department for enrollment assistance in an appropriate section of the course if applicable.

Students will learn how to identify approaches and elements of qualitative research design. Specific qualitative approaches -- ethnography, field research, phenomenology, grounded theory, and case study -- will be included to help students learn how to investigate the social world. Students will explore qualitative data collection techniques and methods for analyzing qualitative data.
