This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current [Undergraduate Catalog](http://registrar.unt.edu/transfer-guides) for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT’s course offerings.

New College

Bachelor of Applied Arts and Sciences (B.A.A.S.)
Applied Technology & Performance Improvement
2017-2018 Texas Common Course Numbering System Transfer Guide

This degree program is designed for students who have completed an associate degree in a technology program at a community college and/or have 3-5 years of employment experience in one of the fields of applied technology.

Undergraduate Degree Program Options

(BAAS) Applied Technology & Performance Improvement

Areas of Emphasis:
- Learning Technology
- Computing Technology
- Performance Technology

Career and Technical Education Certification (Optional):
- Health Science Education
- Marketing Education
- Trade and Industrial Education

Courses Recommended for Transfer

The UNT Core requirements, with the exception of American History and the College & Major requirements, are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

UNT Core: Communication

ENGL 1301; and ENGL 1302 or 2311
A grade of ‘C’ or better is required on courses applied toward this requirement.

UNT Core: Mathematics

One course chosen from: MATH 1316, 1324, 1325 or 1425, 1332, 1342 or 1442 or 2342 or 2442, 1350, 2312 or 2412, 2313 or 2413 or 2513

UNT Core: Life & Physical Sciences

For students not majoring in Science, Mathematics, or Engineering, completing two courses from the list below is recommended (see an Academic Advisor for more options).
- ANTH 2401
- ASTR 1403
- ASTR 1404
- BIOL 1408
- BIOL 2406
- GEOL 1401
- GEOL 1403
- PHYS 1403
- PHYS 1404
- PHYS 1410
- PHYS 1415

UNT Core: American History

Two courses chosen from: HIST 1301, 1302, 2301

UNT Core: Government/Political Science

GOVT 2305 and 2306

UNT Core: Creative Arts

One course chosen from: ARTS 1301 or 1304; DRAM 1310; MUSI 1306 or 1307; SPCH 2341

Bachelor of Applied Arts and Sciences (B.A.A.S.)

Applied Technology & Performance Improvement

2017-2018 Texas Common Course Numbering System Transfer Guide

Applied Technology & Performance Improvement: Professional Development

Professional Development: The 42-hour requirement is divided into two categories; 27 upper level hours of specific Learning Technology and Performance Improvement courses and 15 hours in a concentrated Area of Emphasis.

Students take 27 hours of specific courses in:
- Principles of Leadership, Empowerment, and Team Building
- Technical Presentation Skills
- Personal Development
- Project Management and Performance Improvement
- Principles in Training and Development
- Computer Applications in Business, Education, and Industry
- Human Relations in Business, Education, and Industry
- Communications in Business, Education, and Industry
- Applied Technology and Performance Improvement

The remaining 15 hours, of which 9 hours must be at the 3000 and 4000-level, may be concentrated in an Area of Emphasis in Learning Technology, Computing Technology, or Performance Technology:

Areas of Emphasis:

Learning Technology
- Workforce Development
- Technology & Brain-based Learning Systems
- Technology & Autism

Computing Technology
- Distance Delivery
- Emerging Technologies
- Technology Integration
- Networking

Performance Technology
- Performance Improvement
- Instructional Systems Design
- Multi-Media & Gaming

Other upper level courses may also apply to this area. Contact your advisor.

There are no TCCNS options for the Professional Development courses.

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the general university requirements section of the UNT catalog and the New College requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The New College required curriculum and policies are located in the undergraduate catalog under the corresponding catalog year.

For additional program and contact information see the New College Student Advising website.
