The Department of Biological Sciences offers a Bachelor of Science in Medical Technology in affiliation with schools of clinical laboratory science (medical technology) that are approved by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS), in cooperation with the Commission on Accreditation of Allied Health Education Programs. (A full list of these schools can be found in the UNT 2010-2011 Undergraduate Catalog.)

The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in a mathematics course above college algebra. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

## UNT Core: English Composition & Rhetoric

This requirement will be met by fulfilling the B.S. Medical Technology English Composition & Rhetoric requirement (see next column).

## UNT Core: Mathematics

This requirement will be met by fulfilling the B.S. Medical Technology mathematics requirement (see next column).

## UNT Core: Natural Science

This requirement will be met by fulfilling the B.S. Medical Technology major requirements (see next column).

## UNT Core: U.S. History

Two courses chosen from: HIST 1301, 1302, 2301, 2327, 2328, 2381

## UNT Core: Political Science

Two courses chosen from one of the following combinations:

- GOVT 2301 and 2302
- GOVT 2305 and 2306
- GOVT 2301 and 2305
- GOVT 2301 and 2306
- GOVT 2302 and 2306

## UNT Core: Visual & Performing Arts

One course chosen from: ARCH 1301, 1302; ARTS 1301 or 1304; COMM 2366; DRAM 1310, 2361, 2362, 2363, 2366, 2367; DANC 2303, 2304; HUMA 1315; MUSI 1306, 1307, 1308, 1309

## UNT Core: Humanities

One course chosen from: ENGL 2321, 2322, 2323, 2326, 2327, 2328, 2331, 2332, 2333, 2341, 2342, 2343, 2351; HUMA 1301, 1302; HUMA 1301, 1302; PHIL 1301, 2303, 2306, 2316, or 2317

## UNT Core: Social & Behavioral Sciences

One course chosen from: ANTH 2346, 2351; CRJ 1301; ECON 1301, 2301, 2302; GEOG 1302; HUMA 2323; PSYC 2301; SOCI 1301, 1306; TECA 1354

## UNT Core: Understanding the Human Community

Two courses chosen from:

- Foreign Language (ARAB, CHIN, FREN, GERM, ITAL, JAPN, PORT, RUSS, SPAN): 1311/1411/1511, 1312/1412/1512, 2311, 2312
- ARTS 1303
- BIOL/HECO 1322
- BIOL 1323
- COMM 1307
- DANC 1305
- DANC 1306
- GEOG1303
- HIST 2321
- HIST 2322
- HUMA 2319
- MUSI 1310
- PHIL 1304
- SOCI 2319
- SOCI 2320
- SPCH 1311
- SPCH 1315
- SPCH 1318
- SPCH 1321
- SPCH 2341
- TECA 1303
- TECA 1318

## B.S. Medical Technology: English Composition & Rhetoric

ENGL 1301 and 2311

A grade of 'C' or better is required on courses applied toward this requirement.

ENGL 2311 is required for Medical Technology majors however, students who have completed ENGL 1302 prior to attending UNT may substitute this course for ENGL 2311

## B.S. Medical Technology: Major Requirements

- BIOL 1406 or 1106/1306
- BIOL 2421 or 2321/2121
- CHEM 1411 or 1111/111
- CHEM 1412 or 1112/1112
- ENGL 2311 (fulfills both a portion of the English Composition & Rhetoric core requirement and program requirements)
- MATH 1342 or 1442 (fulfills both mathematics core and major requirements)

BIOL and CHEM courses above fulfill both natural science core and major requirements.

Courses listed above are TCCNS options and do not include all courses required for the UNT B.S. Medical Technology major.

B.S. Medical Technology: Advanced Coursework

No TCCNS options available.

Medical Technology: Other Requirements

- Must maintain a minimum of 2.5 grade point average for upper-division courses in the sciences and an overall 2.5 grade point average.

- Students should consider transferring to UNT prior to the end of their sophomore year. For residency requirements student must complete a minimum of 30 credit hours including 24 advanced hours at UNT prior to attending Professional Training.

- Professional Training: Students complete a minimum of 86 semester hours at UNT (prior to entering clinical training) and a minimum of 12 months of clinical training (for a minimum of 39 semester hours) at any NAACLS-approved school of medical technology to complete the degree.

- Upon graduation, students are eligible to take national examinations given by the American Society of Clinical Pathologists (ASCP) and the National Credentialing Agency (NCA) for Laboratory Personnel. Upon passing the registry examination, the student is considered a certified medical technologist or certified laboratory scientist. The awarding of the degree is not contingent upon students’ passing the national board examinations.

- Submission to the program director of a transcript evaluation request, including the name of medical technology school(s) where the student is applying

- Filing, in the program supervisor’s office before leaving campus, the name of an accredited medical technology school to be attended.

Special Notes

Hours Required and General/College Requirements: A minimum of 125 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the “General University Requirements” in the Academics section of the UNT catalog and the College of Arts and Sciences requirements.

UNT Core Curriculum: Complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Arts & Sciences required curriculum and policies are located in the Undergraduate Catalog 2010-2011.

For additional program and contact information see the College of Arts and Sciences Student Advising website: http://www.cas.unt.edu/advising

#### 2010-2011 Texas Common Course Numbering System Transfer Guide

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT’s course offerings.

### Senior Year
Before attendance at a school of clinical laboratory science (medical technology) approved by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS), student must apply and be accepted by the school. A minimum of 39 hours of professional medical technology courses during approximately 12 months is required to complete the senior year of this program. Successful completion of the first three years does not guarantee admission into a school of clinical laboratory science. Contact the Medical Technology Program Director (39 hours total).
