## College of Music

### B.M. General, Choral & Instrumental Music—Keyboard or Guitar, Teacher Certification

#### 2010-2011 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year’s admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Music Theory Proficiency and the UNT Piano Proficiency for graduation. The lower level courses in piano, aural skills and music theory at UNT are designed to prepare students directly for these examinations. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat theory and aural skills courses if not prepared for proficiency exams.
- All Music majors also must pass a computer proficiency, and the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.

Applications are due by the first Monday in December for the following Fall admission. Applications received after this date will be processed on a space available basis for the three audition dates. For additional procedures and opportunities, please contact the College of Music.

Students unable to audition in person may submit a recording representative of their performance abilities.

Transfer students will take placement examinations in piano and possibly music theory at New Student Orientation.

Students must also schedule and pass an interview with music education faculty members and maintain a GPA of at least 2.75 to be admitted to the music education program.

UNT Core Curriculum: Complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the Undergraduate Catalog 2010-2011.
