B.A. Converged Broadcast Media

2010-2011 Texas Common Course Numbering System Transfer Guide

- Certain degree requirements must be completed to apply for the Converged Broadcast Media (CBCM) Major and to take upper level CBCM/RTVF courses. Transfer students should review "Admission to the Major" on page two for the guidelines on acceptance to the major.
- Entering students interested in majoring in Converged Broadcast Media (CBCM) will be classified as Pre-College of Arts and Sciences. Admission to the university or to the pre-major status does not guarantee admission to the CBCM major.
- Students majoring in CBCM are expected to complete the first course in the CBCM program (CBCM 2400) in the spring of the freshman year. Contact the Radio, Television and Film Department at 940-565-2537 for advising on this requirement.
- Community College RTVB and FLMC courses do not apply towards a B.A. in Converged Broadcast Media (CBCM).
- Only 12 hours of RTVF/CBCM courses taken at other institutions may be applied toward the major.
- Students majoring in Converged Broadcast Media are required to have a minimum grade of C in all RTVF/CBCM courses to graduate. Students may have only two attempts for a grade of C or better for each RTVF/CBCM course.
- The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311) or a mathematics course above college algebra. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.
