(Certification & Non-Teacher Certification Options)

2010-2011 Texas Common Course Numbering System Transfer Guide

Kinesiology: Teacher Certification Option

Admission to Teacher Education Program:

Prior to enrolling in the first education courses, students must:

- have completed a minimum of 60 semester hours
- have a 2.75 UNT GPA
- have a 2.75 overall GPA (includes courses transferred to UNT, plus all courses taken at UNT)
- have minimum THEA scores of 240 reading, 230 math, and 220 writing
- be actively enrolled at UNT and have a degree plan completed or in process in the Student Advising Office
- have formally applied and been admitted to Teacher Education through the College of Education Student Advising Office in Matthews Hall, Room 105

Eligibility for Teacher Certification and Endorsements:

Teacher certification is a function of the State Board for Educator Certification. Completion of the bachelor's degree and the required education courses does not necessarily result in certification by the agency. In order to receive recommendation for teacher certification through the University of North Texas, students must have:

- fulfilled all requirements of an approved 127-hour degree plan
- received a grade of C or better for each kinesiology course and each PHED course
- obtained a 2.75 GPA in each of the following areas: each teaching field, all education courses, all UNT work, and overall (including transferred courses)
- successfully completed student teaching, including attendance at appropriate seminars and passing a comprehensive teacher preparation examination
- passed appropriate sections of the Texas Examinations of Educator Standards (TExES)

Special Notes

Hours Required and General/College Requirements:

- A minimum of 120 semester hours (127 semester hours for those seeking all-level teacher certification), of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the "[General University Requirements](#)" in the [Academics](#) section of the UNT catalog and the College of Education requirements.
- All kinesiology majors: A minimum grade of C is required in MATH 1314 or 1414, or MATH 1342 or 1442; BIOL 2401 (or 2101/2301) and BIOL 2402 (or 2102/2302). A 3.0 GPA is required in PHED 1338 or KINE 1338; PHED 1301; and KINE 2050 (*available at UNT* only) prior to a kinesiology major being allowed to take any KINE 3000- or 4000-level courses.
- Non-Teacher Certification (General and Health Fitness Tracks): A minimum grade of C is required in each course in the major; a minimum GPA of 2.75 in the major, 2.0 in UNT courses, and overall is required for graduation. (Overall GPA includes all course work transferred plus that taken at UNT.) Teacher certification: See requirements under "Teacher Certification Option".

UNT Core Curriculum: Complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Education required curriculum and policies are located in the [Undergraduate Catalog 2010-2011](#).
