

College of Music

B.M. Composition

2010-2011 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year's admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Music Theory Proficiency and the UNT Piano Proficiency for graduation. The lower level courses in piano, aural skills and music theory at UNT are designed to prepare students directly for these examinations. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat theory and aural skills courses if not prepared for proficiency exams.
- All Music majors also must pass a computer proficiency, and the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.
- Music Composition majors must complete all required theory, aural skills and composition courses with no grade lower than B.

Applications are due by the first Monday in December for the following Fall admission. Applications received after this date will be processed on a space available basis for the three audition dates. For additional procedures and opportunities, please contact the College of Music.

Students unable to audition in person may submit a recording representative of their performance abilities.

Transfer students will take placement examinations in piano and possibly music theory at New Student Orientation.

Students transferring from other undergraduate music programs must meet the same requirements as new and continuing composition students in order to qualify for the composition program. Required course work will be determined in consultation with the [academic advisor](#) and composition division chair. Transfer students with at least two semesters of college-level composition courses who place into MUSI 2211/2311—MUSI 2116/2216 or higher may be eligible for **Intermediate Composition**. Consult with the composition division chair for specific criteria.

Composition majors also must successfully complete the Freshman Barrier Exam before beginning the second year of composition studies.
