## College of Arts & Sciences

### B.S. Geography

#### 2011-2012 Texas Common Course Numbering System Transfer Guide

The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311) or a college level mathematics course. If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

### Courses Recommended for Transfer

### B.S. Geography: Other Course Requirements (cont.)

**Foreign Language Option II:**
Completion of two of the following course groups, in addition to the courses listed above. The two course groups (four courses in total) substitute for the foreign language requirement of the Arts and Sciences degree requirements.

**Group I – Computer Programming and Information Systems.**
Any two of the following: COSC 1315 or 1415, Program Development, 4 hours; Basic Information Systems (No TCCNS Options available), 3 hours; Basic Programming for Geographic Information Systems (No TCCNS options available), 3 hours.

**Group II – Mathematics.** Two courses (excluding MATH 1314, 1414, and 1350), each at least 3 hours, in addition to the college requirement for meeting the Arts and Sciences degree requirements.

**Group III – Physical and Natural/Life Science.** Two advanced level courses, each at least 3 hours, in physics, chemistry or biology, subject to approval by the geography undergraduate advisor. Group III courses may be from different departments (for example, one in physics and one in chemistry). No TCCNS options available.

Courses listed above are TCCNS options and do not include all courses required for the UNT Geography major.

### Hours Required and General/College Requirements:
A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the "General University Requirements" section of the UNT catalog and the College of Arts and Sciences requirements.

**UNT Core Curriculum/Transfer of Core Curriculum:**
UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Arts & Sciences required curriculum and policies are located in the Undergraduate Catalog 2011-2012.

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current Undergraduate Catalog for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT's course offerings.
