This program is designed to prepare students for entry into the music teaching profession and related career areas. The curriculum emphasizes public school teacher competencies in music performance, literature, and pedagogy. This degree program also leads to Texas teacher certification in all-level music.

All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year’s admittance. Students who transfer in these courses are responsible for all content covered in UNT courses. All Music majors also must pass a computer proficiency, and the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.

College of Music: Admission to the Major

**College Admissions Requirements:** Admission to the College of Music is contingent on clear admission to the University. Entering transfer students interested in majoring in Music must qualify by audition on their principal instrument or voice. Applications are due by the first Monday in December for the following Fall admission. Applications received after this date will be processed on a space available basis for the three audition dates. For additional procedures and opportunities, please contact the College of Music.

Students unable to audition in person may submit a recording representative of their performance abilities.

Transfer students will take placement examinations in piano and possibly music theory at New Student Orientation.

Students must also schedule and pass an interview with music education faculty members and maintain a GPA of at least 2.75 to be admitted to the music education program.

**Special Notes**

**Hours Required and General/College Requirements:**
A minimum of 129 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Music degree as specified in the "General University Requirements" section of the UNT catalog and the College of Music requirements.

A minimum overall GPA (including all transferred courses) of 2.75 is required for graduation.

**UNT Core Curriculum/Transfer of Core Curriculum:**
UNT complies with the mandates of the 1997 Texas Legislature regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for these categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

**Choice of Catalog:** Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the Undergraduate Catalog 2011-2012.
