The mission of the hospitality management division is to educate students for management and leadership in the hospitality industry and to lead the profession through excellence in teaching, research and service.

The Hospitality Management program at UNT features a unique laboratory environment. Students put theory into practice in a state-of-the-art student-operated restaurant on campus and through work experiences and internships at hospitality operations in the Dallas–Fort Worth region.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The School of Merchandising & Hospitality Management required curriculum and policies are located in the Undergraduate Catalog 2011-2012.
