Applied Technology & Performance Improvement

2013-2014 Texas Common Course Numbering System Transfer Guide

Applied Technology & Performance Improvement: Occupational Specialization

Occupational Specialization: 36 hours may be completed in an applied technology program at a community college or in occupational training and development courses at the university level. Work experience credit and credits earned through approved military service are also considered. Students should contact an advisor in the Applied Technology and Performance Improvement program at 940-565-2445 to determine the 36 semester hours of course work needed to complete the Occupational Specialization section of the degree plan.

Applied Technology & Performance Improvement: Professional Development (Advanced Courses)

Professional Development: The 42-hour upper level requirement is divided into two categories; 27 upper level hours of specific Learning Technology and Performance Improvement courses and 15 upper level hours in a concentrated Area of Emphasis.

Students take 27 hours of specific courses in:

- Principles of Leadership, Empowerment, and Team Building
- Technical Presentation Skills
- Personal Development
- Project Management and Performance Improvement
- Principles in Training and Development
- Computer Applications in Business, Education, and Industry
- Human Relations in Business, Education, and Industry
- Communications in Business, Education, and Industry
- Applied Technology and Performance Improvement

The remaining 15 upper level hours may be concentrated in an Area of Emphasis in Learning Technology, Computing Technology, or Performance Improvement:

Areas of Emphasis:

Learning Technology

- Workforce Development
- Technology & brain based Learning Systems
- Technology & Autism
- Legal Informatics
- Medical Informatics
- Library Assistant/Library Technician

Computing Technology

- Distance Delivery
- Emerging Technologies
- Technology Integration
- Networking

Performance Improvement

- Performance Improvement
- Instructional Systems Design
- Multi-Media & Gaming

Other upper level courses may also apply to this area. Contact the COI Advising Office at 940-565-2445 to discuss.

There are no TCCNS options for the Professional Development courses.

Special Notes

Hours Required and General/College Requirements:

- A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Applied Arts and Sciences degree as specified in the "[General University Requirements](#)" section of the UNT catalog and the College of Information requirements.
- A candidate for the degree must complete 42 semester hours of 3000 and 4000-level courses from within the professional development section of the degree plan (to be determined in consultation with an advisor).
- A minimum overall GPA (includes all UNT and transferred courses) of 2.50 is required for graduation.

UNT Core Curriculum/Transfer of Core Curriculum:

UNT complies with the [mandates of the 1997 Texas Legislature](#) regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Concurrent Enrollment: Students may take courses concurrently at UNT and the community college. Students who plan to take courses at a community college while attending UNT must file a Concurrent Enrollment Form in the College of Information advising office prior to enrollment.

Optional Career and Technical Education Certification:

Students who plan to obtain teacher certification in any of the career and technical education certification programs should contact a faculty advisor in the department before taking any course work to ensure that they have the necessary work experience qualifications to complete the career and technical education teacher certification program and to complete the required statement of qualifications form.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Information required curriculum and policies are located in the [Undergraduate Catalog 2013-2014](#).
