Kinesiology: Athletic Training Track

Students pursuing the Athletic Training track in Kinesiology are required to complete 1800 internship hours during university enrollment, to be administered through the North Texas Athletic Training Program.

Special Notes

Hours Required and General/College Requirements:

A minimum of 120 semester hours (127 semester hours for those seeking all-level teacher certification), of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the [general university requirements](#) section of the UNT catalog and the College of Education requirements.

All kinesiology majors: A minimum grade of C is required in MATH 1342 or 1442 or 2342 or 2442; BIOL 2401 and BIOL 2402. A 3.0 GPA is required in PHED 1338 or KINE 1338; PHED 1301; and KINE 2050 (*available at UNT only*) prior to a kinesiology major being allowed to take any KINE 3000- or 4000-level courses.

Non-Teacher Certification (General, Health Fitness Tracks, Athletic Training, and Allied Health): A minimum grade of C is required in each course in the major; a minimum GPA of 2.75 in the major, 2.0 in UNT courses, and overall are required for graduation. (Overall GPA includes all course work transferred plus that taken at UNT.) Teacher certification: See requirements under "Teacher Certification Option".

UNT Core Curriculum/Transfer of Core Curriculum:

UNT complies with the [mandates of the 1997 Texas Legislature](#) regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Education required curriculum and policies are located in the [Undergraduate Catalog 2014-2015](#).
