College of Arts & Sciences B.A. Biology

2015-2016 Texas Common Course Numbering System Transfer Guide OF NORTH TEXAS

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current <u>Undergraduate Catalog</u> for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT's course offerings.

UNT courses noted (#) do not have TCCNS equivalents, but have approved transferable substitutions.

YEAR	FALL SEMESTER		Spring Semester	
F	UNT Requirement	TCCNS Option	UNT Requirement	TCCNS Option
	BIOL 1710/BIOL 1760	BIOL 1406 or 1306/1106** or 1411*	BIOL 1720	BIOL 1407 or 1307/1107** or 1413*
	CHEM 1410/CHEM 1430	CHEM 1411 or 1311/1111	CHEM 1420/CHEM 1440	CHEM 1412 or 1312/1112

College of Arts & Sciences B.A. Biology

2015-2016 Texas Common Course Numbering System Transfer Guide OF NORTH TEXAS®

The College of Arts and Sciences encourages students to explore teaching at the secondary level as a career option. Students seeking secondary teacher certification should contact the Teach North Texas Program in the College of Arts and Sciences.

The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311). If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.

Courses Recommended for Transfer

The UNT Core requirements, with the exception of American History and Government/Political Science, and the College & Major requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

requirements.	Advanced Biology Courses No TCCNS options available	
Note: The Core Capstone courses are under review by the Texas Higher Education Coordinating Board, and are subject to change.		
	Courses listed above are TCCNS options and do not include all courses required for the UNT Biology major.	

College of Arts & Sciences

B.A. Biology

2015-2016 Texas Common Course Numbering System Transfer Guide OF

B.A. Biology: Other Course Requirements		Special Notes	
•	PHYS 1401 or 1301/1101	Hours Required and General/College Requirements: A	
٠	PHYS 1402 or 1302/1102	minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts	
•	MATH 1342, 1442, 2342, 2442, 2313, 2413, or 2513 (fulfills both Mathematics core and program requirements)(C or higher)	degree as specified in the <u>General University Requirements</u> sectior of the UNT catalog and the College of Arts & Sciences requirement	
٠	CHEM 1411 or 1311/1111 (C or higher)	UNT Core Curriculum/Transfer of Core Curriculum: UNT	
•	CHEM 1412 or 1312/1112 (C or higher)	complies with the <u>mandates of the 1997 Texas Legislature</u> regarding requirements for state-assisted institutions. Students	

- CHEM 2423 or 2323/2123 (approved substitution)(C or higher)
- CHEM 2425 or 2325/2125 (approved substitution)

A minimum 2.5 grade point average is required on all advanced courses in the division of sciences for graduation. A minimum of a 2.5 cumulative UNT grade point average and 2.5 cumulative overall grade point average are required for graduation.

Students in the department whose UNT or overall grade point average drop below 2.5 for two consecutive semesters will be removed from the program.

Only two attempts will be allowed for each biology and biochemistry course in this degree.

CHEM and PHYS courses fulfill both Natural Science core and program requirements.

complies with the <u>mandates of the 1997 Texas Legislature</u> regarding requirements for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Arts and Sciences required curriculum and policies are located in the <u>Undergraduate Catalog 2015-2016</u>.

For additional program and contact information, see the College of Arts and Sciences Student Advising website: www.cas.unt.edu/advising

Teacher Certification Option

The College of Arts and Sciences encourages students to explore teaching at the secondary level as a career option. A higher GPA may be required for the certification option. For more information contact the College of Arts and Sciences Office of Student Advising at 940-565-2051.
