B.F.A. Dance

2015-2016 Texas Common Course Numbering System Transfer Guide

Entrance auditions and applications are required for admission to the BFA dance major in the dance program. Students are expected to enter the program on level III technique in Modern and Ballet as assessed by the departmental auditions. Transfer students entering the spring semester will be evaluated individually. Advancement to higher level technique classes is through teacher recommendation. At the end of each term/semester, students will be reviewed by the dance faculty to determine eligibility to continue in the BFA program.

The College of Arts and Sciences expects students to have completed the Texas State recommended high school program and be ready to enroll in Language 2040 (TCCNS: Language 2311). If you are not prepared for this level, the necessary prerequisites will either replace electives or increase the hours required for this degree.
