2023-2024 Texas Common Course Numbering System Transfer Guide

- All students applying to the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year's admittance. Lessons from any other school are not automatically equivalent to UNT lessons.
- All Music majors are required to pass the UNT Piano Proficiency for graduation. The lower-level courses in piano at UNT are designed to prepare students directly for this examination. Students who transfer in these courses are responsible for all content covered in UNT courses. Students may choose to repeat courses if not prepared for the proficiency exam.
- All Music majors also must pass the Upper Divisional Exam and Concentration Proficiency Exam in the principal instrument or voice.

Special Notes

Hours Required and General/College Requirements: A minimum of 129 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Music degree as specified in the general university requirements section of the UNT catalog and the College of Music requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core Requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
