2023-2024 Texas Common Course Numbering System Transfer Guide

Entering students are classified as majors but must fulfill initial requirements for the degree prior to enrolling in upper division courses in the department. A departmental advisor is available to help students with questions the degree and transitioning from lower to upper division courses.

The College of Liberal Arts and Social Sciences encourages students to explore teaching at the secondary level as a career option. Students seeking secondary teacher certification should contact the College of Education Office of Student advising.
