2023-2024 Texas Common Course Numbering System Transfer Guide

- In addition to the university admission requirements, students wishing to major in any program in the College of Visual Arts and Design must meet minimum academic requirements to be classified as a pre-major. Admission to the college through this process does not guarantee acceptance into the chosen major. See "Admission Requirements" on page two for specific guidelines.
- Design programs have strict course sequencing, and some required lower-level art courses are not offered at the community college. To complete a design program within four years, community college students should consult with a College of Visual Arts and Design (CVAD) advisor at the beginning of their academic career to establish an ideal timeline for transferring to UNT. Students interested in completing an associate's degree at a community college are strongly encouraged to consult with a CVAD advisor about concurrent enrollment options.
- To complete the Fashion Design program within four years, students must have completed ADES 1550 (*available only at UNT*), ARTS 1316, and ARTS 1311 at the end of their first freshman Fall semester, and have completed ARTS 1312, and ARTS 1317 at the end of their freshman Spring semester, to be eligible to receive codes for ADES 1560 and 2550 (*available only at UNT*).

- 24 advanced hours must be completed at UNT

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Fine Arts degree as specified in the general university requirements section of the UNT catalog and the College of Visual Arts + Design requirements.

Academic Requirements: Art majors and art minors must take courses in sequence and must maintain at least a 2.75 grade point average in all art courses. Only art courses with grades of 'C' or better will count toward a student's major requirements.

Portfolio Review: Each major has a review system. Some majors require an entry-level portfolio review and a mid-point portfolio review, which the student must pass to continue in the major. All majors require that seniors pass an exit review prior to graduation. Students who do not pass one or another of the successive required reviews should consult with their faculty advisor and/or the department chair regarding further options. Students should contact a faculty advisor in their major for specific expectations and procedures for all portfolio reviews.

Transfer Credits: A transferred course must be reviewed for approval in order to be substituted for a required art course. Transfer credits in art from other schools can be substituted for UNT degree requirements only when content of the two courses is the same. Art core courses (Design I, Design II, Drawing I, Drawing II, Art History Survey I and Art History Survey II) are transferable from a Texas Community College. The student should provide a transcript of all college work so an advisor may better assist the student with course selection.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core Requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Visual Arts and Design required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
