Applied Arts & Sciences: Major Requirements

No TCCNS options.

Occupational Specialization (21 hours): Comprised of courses related to a specific occupation, field or subject. The occupational specialization often consists of field-specific course work completed for an Associate of Applied Science (AAS) degree at a community college. Active-duty military or veterans may receive credit for technical or other formal training courses under this component of the degree plan. Other students who have not completed an occupational specialization through courses taken in a community college or in the military may create one by selecting a primary area of study, in consultation with an advisor.

Unifying Courses: Three specific courses from College of Applied & Collaborative Studies that help students sharpen their ability to communicate, analyze information and network effectively. Students must earn a 'C' or higher in each of the courses in this component to receive credit toward the degree.

Professional Development Concentrations (36 hours): Consists of two or three separate concentrations, each of which will consist of a minimum of 12 credit hours that serve to enhance the skills a student has acquired through prior education or are complimentary to the student's career plans.

Concentration Options:

- Applied Geography & GIS
- Applied Commerce
- Applied Project Design
- Aviation Operations
- Computer Science
- Data Analytics
- Global Societies & GIS
- Homeland Security
- Hospitality Services
- Industrial Distribution
- Information Technology
- Leadership Development
- Logistical Operations
- Natural Hazards Geography & GIS
- Organizational Supervision
- Public Safety
- Public Health Education & Practice
- Recreation & Sport Leadership
- Workforce & Technical Administration

Applied Arts & Sciences: Additional Requirements

A total of 36 hours of upper-division work.

At least 24 hours of upper-division work in residence.

A lower-level transfer course that is determined to be equivalent to a UNT upper-level course does not satisfy the requirement for advanced hours.

Departmental consent required for students wishing to apply up to 6 credit hours of university-approved Prior Learning Credit for non-traditional learning experiences in transfer to satisfy CACS degree requirements.

Applied Arts & Sciences: Grad Track Options

The B.A.A.S. in Applied Arts & Sciences major has grad track options leading to a M.S. Advanced Data Analytics or M.S. in Learning Technologies. For more information, review the UNT undergraduate catalog and consult a UNT advisor.

2024-2025 Texas Common Course Numbering System Transfer Guide

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 36 must be advanced, and fulfillment of degree requirements for the Bachelor of Applied Arts & Sciences degree as specified in the General University Requirements section of the UNT catalog and the College of Applied & Collaborative Studies requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Applied & Collaborative Studies required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
