B.A. Chemistry

2024-2025 Texas Common Course Numbering System Transfer Guide

This four-year plan provides a model for on-time completion of this UNT program using as many TCCNS courses as possible. The four-year plan also shows the first point when no TCCNS options are available for this program. See the current [Undergraduate Catalog](#) for course prerequisites. Course availability at UNT is subject to change, and the plan shown below may change based on updates to UNT's course offerings.

First Year Fall		First Year Spring	
UNT Requirement	TCCNS Option	UNT Requirement	TCCNS Option
UNT Core: Social & Behavioral Sciences	See list of approved courses	UNT Core: Creative Arts	See list of approved courses
CHEM 1400	N/A	UNT Core: Language, Philosophy & Culture	See list of approved courses
CHEM 1410/1430	CHEM 1311/1111 or 1411	CHEM 1420/1440	CHEM 1312/1112 or 1412
ENGL 1310	ENGL 1301	ENGL 1320 or TECM 2700	ENGL 1302 or 2311
MATH 1710 ¹	MATH 2313 or 2413	MATH 1720 ¹	MATH 2314 or 2414

Second Year Fall		Second Year Spring

¹ Students have the option to take **MATH** 1810 / 1820 / 1830 or **MATH** 1710 / 1820 / 1830 in place of **MATH** 1710 / 1720. Note that the **MATH** 1810 / 1820 / 1830 or the **MATH** 1710 / 1820 / 1830 options may result in needing additional courses taken to fulfill the UNT Core. See your advisor for more information.

College of Science

B.A. Chemistry

2024-2025 Texas Common Course Numbering System Transfer Guide

Students may not declare a major within the College of Science until they have completed **MATH 1100 (MATH 1314 or 1414)** or **MATH 1180 (MATH 1324)** with a 'C' or higher or have demonstrated proficiency through a math placement exam. Applicants who do not meet the math proficiency requirement will be provisionally admitted as Pre-College of Science (PCOS). PCOS students may visit the College of Science Advising Center for assistance.

The College of Science offers three options for a Bachelor of Arts in Chemistry, Option I, Option II, and Option III.

Courses Recommended for Transfer

The UNT Core requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

UNT Core: Communication

ENGL 1301; and **ENGL 1302** or **2311**

A grade of 'C' or higher is required on courses applied toward this requirement.

UNT Core: Mathematics

This requirement will be met by fulfilling the B.A. Chemistry major requirements.

UNT Core: Life and Physical Sciences

This requirement will be met by fulfilling the B.A. Chemistry major requirements.

UNT Core: American History

Two courses chosen from: **HIST 1301, 1302, 2301**

UNT Core: Government/Political Science

GOVT 2305 and **2306**

UNT Core: Creative Arts

One course chosen from: **ARTS 1301** or **1304**; **DRAM 1310**; **MUSI 1306** or **1307**; **SPCH 2341**

UNT Core: Language, Philosophy and Culture

One course chosen from: **ARTS 1303**; **ENGL 2321, 2326, 2331, 2341, or 2351**; **HIST 2321 or 2322**; **PHIL 1301, 1304, 2303, or 2306**

UNT Core: Social and Behavioral Sciences

One course chosen from: **ANTH 2346, 2351**; **BUSI 1307**; **COMM 1307**; **CRIJ 1301**; **ECON 2301 or 2302**; **GEOG 1303**; **PSYC 2301 or 2330**; **SOCI 1301**; **SOCW 2361**; **SPCH 1318**; **TECA 1354**

UNT Core: Core Option Courses

This requirement will be met by fulfilling the B.A. Chemistry major requirements.

College of Science: Breadth Requirement

Students pursuing the Bachelor of Arts must complete four classes (minimum 3 hours each) from classes outside of COS. These classes may not be simultaneously applied to University Core Curriculum requirements. Students are encouraged to use these 12 hours to add value to their degree by applying them to a certificate, minor, or second major that will support their goals, in consultation with the COS Advising Center.

This requirement will be deemed complete for Bachelor of Arts students who attain Intermediate II (2312) level proficiency in a foreign language (for all languages other than American Sign Language, prerequisites for 2312 are 1411, 1412, and 2311, in sequence). Also, students who graduated from a high school outside the United States at which English was not the primary language should ask the COS Advising Center about eligibility for waiving this requirement.

Chemistry: Major Requirements

TCCNS options:

- **CHEM 1311/1111 or 1411** (also fulfills a portion of the Life & Physical Sciences core requirement)
- **CHEM 1312/1112 or 1412** (also fulfills a portion of the Life & Physical Sciences core requirement)
- **CHEM 2323/2123 or 2423** (approved substitution)
- **CHEM 2325/2125 or 2425** (approved substitution)

Courses listed above are TCCNS options and do not include all courses required for the B.A. Chemistry major.

Chemistry: Additional Requirements

TCCNS options:

- **MATH 2313 or 2413** (also fulfills the Mathematics core requirement)
- **MATH 2314 or 2414** (also fulfills a portion of the Core Option Courses core requirement)
- **PHYS 1301/1101 or 2325/2125 or 2425** (also fulfills a portion of the Core Option Courses core requirement)
- **PHYS 1302/1102 or 2326/2126 or 2426**

PHYS 1401 and **1402**, when taken together, are an acceptable substitution for **PHYS 1710/1730** (at UNT only). Substitutions may be made only with the written consent of the department chair.

GPA of 2.5 on all advanced courses attempted in science and engineering courses (biochemistry, biology, chemistry, computer science, engineering, mathematics, physics).

Courses listed above are TCCNS options and do not include all courses required for the B.A. Chemistry major.

Chemistry: Teacher Certification Option

The College of Science encourages students to explore teaching at the secondary level as a career option. A higher GPA may be required for the certification option. For more information, contact your advisor.

College of Science

B.A. Chemistry

2024-2025 Texas Common Course Numbering System Transfer Guide

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 36 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the General University Requirements section of the UNT catalog and the College of Science requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Science required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.

For additional program and contact information, visit the College of Science Student Advising website at <https://cos.unt.edu/advising>.
