College of Information

B.S. Information Science with a concentration in Project & Knowledge Management

2024-2025 Texas Common Course Numbering System Transfer Guide

The Bachelor of Science in Information Science at the University of North Texas is designed to equip graduates with the knowledge needed to build competencies in important and emerging areas, such as, information organization, information architecture, information seeking and use, health informatics, knowledge management, digital content and digital curation, language technology, data science, and information systems.

Students earning this degree are able to customize their program by developing focused areas of studies (concentrations) or by choosing a minor or certificate in another field. The flexibility built into the BSISAT program prepares graduates for the varying career options available in the information profession.

Undergraduate Degree Program Options

B.S., Information Science Concentrations:

- Data Science
- Digital Content & Information Systems
- Human Language Technology
- Information Management & Health Informatics
- Information Science & Knowledge Organization
- Project & Knowledge Management

Courses Recommended for Transfer

The UNT Core requirements are shown with Texas Common Course Numbering System values only when UNT offers equivalent courses. There may be other courses in transfer that apply toward the specific degree requirement, but those listed are known to apply.

UNT Core: Communication

ENGL 1301; and **ENGL** 1302 or 2311

A grade of 'C' or higher is required on courses applied toward this requirement.

UNT Core: Mathematics

One course chosen from: **BUSI** 2305; **MATH** 1324, 1325, 1332, 1342, 2312 or 2412, 2313 or 2413

UNT Core: Life and Physical Sciences

For students **not** majoring in Science, Mathematics, or Engineering, completing two courses from the list below is recommended (Consult UNT advisor for more options).

- **ANTH** 2401 or 2301/2101
- **ASTR** 1403
- **ASTR** 1404
- **BIOL** 1408 or 1308/1108
- **BIOL** 2406 or 2306/2106
- **GEOL** 1401
- **GEOL** 1403
- **PHYS** 1403
- **PHYS** 1404
- **PHYS** 1410
- **PHYS** 1415

UNT Core: American History

Two courses chosen from: **HIST** 1301, 1302, 2301

UNT Core: Government/Political Science

GOVT 2305 and 2306

UNT Core: Creative Arts

One course chosen from: **ARTS** 1301 or 1304; **DRAM** 1310; **MUSI** 1306 or 1307; **SPCH** 2341

Information Science (Project & Knowledge Management): Major Requirements

No TCCNS options available.

Information Science Core:

Five required core courses totaling 15 credit hours in the following topics:

- Introduction to Information, Information Science & Information Technologies
- Information Organization & Management
- Information Users & Their Needs
- Data Modeling & Database Design
- Professional Preparation & Career Development

Concentrations:

Six required courses totaling 18 credit hours in one of the following concentrations:

- Data Science
- Digital Content & Information Systems
- Human Language Technology
- Information Management & Health Informatics
- Information Science & Knowledge Organization
- Project & Knowledge Management

A capstone experience in the form of a 3 credit hour course as one of the six required courses for each concentration.

Information Science (Project & Knowledge Management): Additional Requirements

Cross-Functional Courses:

Cross-functional electives comprising 45 credit hours, with at least 9 credit hours at the upper level (courses numbered 3000 and above). Cross-functional elective are determined in consultation with the academic advisor. Students should work closely with the director of the BS-IS program and the college advising office when choosing cross functional electives. The program recommends specific elective courses to enhance students' preparation for professional information work. These electives fulfill total number of hours required for degree and to meet advanced hour requirement.

To enroll for more than 6 hours of courses in the Department of Information Science, students must have the following:

- At least sophomore standing (at least junior standing required to enroll for more than 12 hours in department)
- A cumulative grade point average of at least 2.5

Students must maintain a minimum grade point average (GPA) of 2.5 across all information science major courses taken.

Information Science: Grad Track Option

The B.S. Information Science major has a grad track option leading to a M.S. Information Science or a M.S. Library Science. For more information, review the UNT undergraduate catalog and consult a UNT advisor.

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Science degree as specified in the General University Requirements section of the UNT catalog and the College of Information requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Information required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
