2024-2025 Texas Common Course Numbering System Transfer Guide

All students applying for the Jazz Studies degree in the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year's admittance. Lessons from any other school are not automatically equivalent to UNT lessons.

All Jazz Studies majors are required to pass the UNT Piano Proficiency exam for graduation. The lower-level courses in piano at UNT are designed to prepare students directly for this examination. Students who transfer in these courses are responsible for all content covered in UNT courses.

All Jazz Studies majors also must pass the Upper Divisional exam in the principal instrument or voice.

College of Music: Admission Requirements

Admission to the College of Music is contingent on clear admission to the university. Those students who intend to be Jazz Studies majors must qualify by audition on their principal instrument or voice. Preference will be given to applications received by December 1 for fall admission. For additional procedures and opportunities, please contact the College of Music.

Prospective Jazz Studies majors should closely follow audition repertoire information from the College of Music Jazz Studies website. This may include auditioning with both classical and jazz repertoire depending on your instrument.

Students unable to audition in person may submit a recording representative of their performance abilities.

All students will have the opportunity to take a placement examination after attending orientation.

Special Notes

Hours Required and General/College Requirements: A minimum of 129 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Music degree as specified in the General University Requirements section of the UNT catalog and the College of Music requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as “core complete” for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Music required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
