2024-2025 Texas Common Course Numbering System Transfer Guide

Theatre (Acting): Additional Requirements

To remain a theatre major and to graduate, students majoring in theatre must maintain a cumulative grade point average of 2.5 for all theatre courses.

Students majoring in theatre must enroll in a production course (**THEA 4600** or equivalent at UNT) each term/semester the student performs or designs in public productions sponsored or approved by the department.

Transfer work to be substituted for required theatre courses must be approved by the departmental advisor.

The department does not allow students to obtain a 'D' or below more than twice in a theatre course comprising the major. Once the student receives the second 'D' or below in the same course, the student will be dismissed from the department.

Students who miss the first day of class without consent of the instructor are subject to be administratively dropped from the course so that other students may be added. Students who miss the first day of class because of illness or some other acceptable excuse must notify the instructor on record the day of the absence.

Students must observe prerequisites for each theatre course. If a student has not completed prerequisites for a particular course, the student is subject to administrative drop without notice. Prerequisites are listed with individual course descriptions.

Students majoring or minoring in theatre who received a grade of 'C' in any of the three prerequisite acting courses (**THEA 1050** Acting: Fundamentals, **THEA 2051** Theatre Voice I, or **THEA 2351** Theatre Movement I), even if they are transferring that course in from another institution, will be required to complete an audition in order to be considered for enrollment in **THEA 3050** Acting: Realism I.

Theatre (Acting): Optional Minor

A minor in a related field, such as music, psychology, or art, is recommended.

Special Notes

Hours Required and General/College Requirements: A minimum of 120 semester hours, of which 42 must be advanced, and fulfillment of degree requirements for the Bachelor of Arts degree as specified in the General University Requirements section of the UNT catalog and the College of Liberal Arts and Social Sciences requirements.

UNT Core Curriculum/Transfer of Core Curriculum: UNT complies with the mandate of the Texas Legislature regarding [Core requirements](#) for state-assisted institutions. Students who successfully complete the common core curriculum (in whole or in part) at a Texas state-assisted institution of higher education are eligible to transfer as "core complete" for those categories in the UNT University Core Curriculum.

Individual academic programs may require courses contained in parts of the University Core Curriculum. Students who wish to take courses that will fulfill both core and major/program requirements simultaneously should check with academic advisors for assistance in selecting core courses.

Choice of Catalog: Any student transferring directly from a Texas public community college to UNT shall have the same choice of catalog designating degree requirements as the student would have had if the dates of attendance at the university had been the same as the dates of attendance at the community college.

The College of Liberal Arts and Social Sciences required curriculum and policies are located in the [undergraduate catalog](#) under the corresponding catalog year.
