B.A. Music

2025-2026

All students applying for the BA in Music Degree in the College of Music must audition and be accepted on their major performing instrument (or voice). Auditions are held early in the spring semester for the following year's admittance. Lessons from any other school are not automatically equivalent to UNT lessons.

All BA music majors are required to pass the UNT Piano Proficiency exam for graduation. The lower-level courses in piano at UNT are designed to prepare students directly for this examination. Students who transfer in these courses are responsible for all content covered in UNT courses.

BA Music majors must pass the Upper Divisional exam in their principal instrument or voice.
